

# CRAZY TYKES TEDDY PARTIES

## Make a Bear

A make a bear party is something special, not just a party but every child gets to make a new friend, a furry friend to take home and keep for life.

- Choosing the new friend, very important part of the party so many to choose from – and that's part of the fun. All teddies are 40cm tall!
- Then there's a name to choose a really special name for a really special new friend
- Fill the bear and put in a heart with a kiss and a wish in our craft room.
- Enjoy some play time in the centre
